Re: Docket No. 96-6 CARP NCBRA

Dear Counsel:

Although we have had some general conversations about how to handle document requests and motions with respect to our rebuttal cases, including a conversation which Chris Shore recently had with Mark Stein, we have yet to fix a schedule and therefore would propose the following schedule:

- |                   |   |  |
|-------------------|---|--|
| Friday April 17   | - | Filing of document request letters.  |
| Tuesday April 21  | - | Filing of letter responses to document requests and production of responsive document.   |
| Thursday April 23 | - | Filing of letter motions regarding written rebuttal cases.   |
| Tuesday April 28  | - | Oral oppositions to motions to be heard prior to rebuttal testimony of first witness (parties may concurrently submit letter responses at the time oral argument is made). |

When scheduling the rebuttal case, it was clear that we could not attain a schedule for this phase of the case which would conform to CARP rules. Nonetheless, Ms. Giuffreda informed us that the Panel would approve any schedule voluntarily agreed to by the parties.

If the proposed schedule is agreeable to you, please sign and send the letter by return fax. I will then fax the signed letters to Ms. Giuffreda.

If you should wish to discuss the above, please call me at 819-8424.

Sincerely,

Sam Mosenkis
